

# CARDINAL LANE BOOK FAIR BUCKS

Cardinal Lane Book Fairs offers a unique way to make your book fair even more successful! “Book Fair Bucks” are a convenient way to treat teachers, staff, and children to the wide selection of books and activities at your Cardinal Lane Book Fair. Here’s how:

1. Complete the attached “Book Fair Bucks” form with the name of your school and its book fair dates. A copy of this completed form should be sent home with each student, along with the Cardinal Lane Book Fair flyer. The form provides instructions for parents and others who may want to purchase “Book Fair Bucks”. Additional copies should be available at the book fair for persons who need extra forms.
2. “Book Fair Bucks” can be used by teachers, staff, and students to purchase any item at the book fair. “Wish List” titles are popular choices for teachers and staff.
3. Cash and checks may be used to purchase “Book Fair Bucks”. MasterCard and Visa can also be used at schools accepting credit cards. (Purchasers will need to handle these transactions at the fair.)
4. Teacher purchases made with “Book Fair Bucks” are not eligible for the 10% discount.
5. “Book Fair Bucks” may be used only at your book fair. They must be redeemed during the time of your fair and may not be redeemed for cash.
